

FLORIDA STATUTE-633 FIRE PREVENTION AND CONTROL

Title XXXVII, Chapter 633, 633.537 Certificate; expiration; renewal; inactive certificate; continuing education.--

(4) The renewal period for the permit class is the same as that of the employing certificateholder. The continuing education requirements for permitholders shall be 8 contact hours by June 30, 2006. An additional 16 contact hours of continuing education is required by June 30, 2008, and during each biennial renewal period thereafter. The continuing education curriculum from July 1, 2005, until July 1, 2008, shall be the preparatory curriculum for NICET II certification; after July 1, 2008, the technical curriculum is at the discretion of the State Fire Marshal. It is the responsibility of the permitholder to maintain NICET II certification as a condition of permit renewal after July 1, 2008.

Title XXXVII, Chapter 633, 633.521 Certificate application and issuance; permit issuance; examination and investigation of applicant.-- (10) Effective July 1, 2008, the State Fire Marshal shall require the National Institute of Certification in Engineering Technologies (NICET), Sub-field of Inspection and Testing of Fire Protection Systems Level II or equivalent training and education as determined by the division as proof that the permitholders are knowledgeable about nationally accepted standards for the inspection of fire protection systems. It is the intent of this act, from July 1, 2005, until July 1, 2008, to accept continuing education of all certificateholders' employees who perform inspection functions which specifically prepares the permitholder to qualify for NICET II certification.

Seminar Topics - 1st Day:

Introduction to NFSA, NICET.
NFPA Standard Definitions 41002.
Role of the Inspector, Owner & AHJ 41006 & 41018.
Contracts and Forms 42001.
Basic Components & Terminology 41003 & 41008
System Appurtenances 41005
Wet Pipe Systems 43002
Dry Pipe Systems 43003
Fire Protection Water Tanks 42003
Private Fire Service Main Components 42004
Plans & Specifications 41014
Fire Protection Symbols 41013
Principles of Combustion 42006

Seminar Topics - 2nd Day:

Basic Math 41010 and 43010
Physical Sciences 41011
Metric Units and Conversions 41001
Classification of Occupancies & Commodities 41016 and 43013
Field Inspection of Sprinklers 41017
Sprinkler Obstructions 43001
On-Site Preparation 41007 & 43009
Inspection Safety Concerns 41009
Impairment Procedures 43008

Seminar Topics - 3rd Day:

Inspection and Testing Procedures of General System Components 43004, 43007 & 41001
Valve Inspections 43005
No Flow & Full Flow Trip Tests of Dry Pipe Valves 43012 & 44013
Preaction & Deluge System Inspection 44012
Alarm & Supervisory Device Inspection 43015 & 43016
Water Supply Requirements 43006
Pump Operations and Inspections 42009, 43014, 44002 and 44003
Standpipe Systems 41015 and 43011
Residential System Inspection 44001
Questions & Answers

This seminar is intended to prepare those for the NICET ITM Examination.

FLORIDA
FIRE
SPRINKLER
ASSOCIATION

IS OFFERING:

**FLORIDA INSPECTION AND TESTING
NICET REVIEW SEMINAR 3 DAY
LEARN THE SKILLS REQUIRED TO
PASS NICET LEVEL II EXAM
and take NICET Examination
on day 4**

OCTOBER 2009

OCTOBER 6-9, 2009

**ED BALL BUILDING

THIS IS A NEW ADDRESS & PHONE #

Florida Fire Sprinkler Association

Lorrell Bush, Executive Assistant

2025 Droylsden Lane

Eustis FL 32726

Phone: (352) 589-8402

Cell (954)275-8487

Fax: (561) 327-6366

Email: bush@nfsa.org

TARGET AUDIENCE:

- ◆ Individuals currently inspecting and testing water-based fire protection systems
- ◆ Individuals that want to begin inspecting and testing water-based fire protection systems
- ◆ Individuals seeking continuing education requirements for Fire Protection System Contractor licensing in the State of Florida.
- ◆ Individuals seeking NICET ITM Certification.

COST:

\$ 400.00 for FFSA Members *(*plus exam fee)*

\$ 575.00 for Non-Members *(*plus exam fee)*

Each paid attendee will receive a certificate upon completion

NICET EXAMINATION FEES
(This is in addition to class fee)
\$ 205.00 for all NICET Examination

NICET has gone the extra mile and approved select NFSA staff members that are not deliverers of the curriculum to set up Special test sites. However, they wish to minimize administrative burdens and have asked that we gather all the NICET applications, and send them in alphabetical order in one package with one lump sum check. So, please make **one check for class and exam fee** and send with NICET application to Florida Fire Sprinkler Association: 2025 Droylsden Lane, Eustis, FL 32726

MATERIALS:

Each attendee will receive an NFSA workbook and other prepared materials.

Each attendee should bring their own copies of NFPA 13 and NFPA 25. Each attendee should bring a calculator that can perform chain calculations.
